MID TERM ASSESSMENT

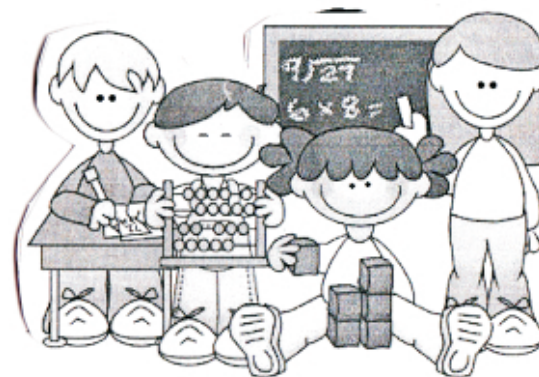

"HOW TO LEARN MORE IN LESS TIME"

GENERAL TIPS :

- ★ Take up first the subject you consider more difficult, once you have done this, the rest of your work will be easy.
- ★ Do not hesitate to ask for your teachers or companions support, if you do not understand a lesson clearly. Never leave difficulties unanswered as this will put you into greater difficulties later.
- ★ Do not continue working when you are tired, walk around the garden, talk to a friend. Finish your lesson and don't waste time.
- ★ Do enough exercise every day, it keeps the body and the mind fresh.
- ★ Do not cut down necessary sleep in order to study, it will harm you later on.
- ★ Lastly pray often to the Almighty and all knowing God to help you progress in your studies.

***Perfection is not attainable,
But if we chase perfection
We can catch 'Excellence'.***
