Read the passage carefully and answer the following questions:-

Atul and Pratul are step-brothers but they look like twins. They study in the same class, so sometimes teachers get confused to recognize them.

Atul always wears a blue watch and Pratul wears a yellow watch. The height of Atul is a little more than that of Pratul. They eat lunch together and play in the playground together. Atul is nine years old and Pratul is eight and a half years old. Atul's favourite fruit is apple and he wants to eat an apple everyday whereas Pratul doesn't like fruits but prefers fast food like pizza and momos.

I) Answer the following questions:-

Q1. What does Pratul like ?

Q2. What is the colour of Atul's watch ?

II) Fill in the blank:-

1. Atul is _____ years old.

III) Write true or false:-
