Dear children,

We are sure that all of you must be enjoying your holidays. You must have started making plans to visit your grandparents, relatives and friends, watching television during the day, taking a dip in the swimming pool and joining some activity classes with your friends.

We wish that you enjoy every minute of this long break with your family and friends. It will be great if you are able to find time to visit museums and monuments, learn new things, explore new areas near your house, play indoor and outdoor games , read as many story books as you can ,help your parents and grandparents, go for morning walk and play in the park in the evenings during your long summer break.

We are giving you a variety of fun-filled activities and worksheets which you can do during the noon time. Do them neatly and submit the worksheets to your teachers after the vacation.

Wishing all of you a very enjoyable and fun-packed summer break.
