From the Principal's Desk

Dear students,

'Fame is the perfume of heroic deeds.'

Intellectual growth should commence at birth and cease only at death. Remember when we grow our responsibilities also grow. Just keep on doing your best and the best will be reflected back to you. Heroic deeds need courage, confidence, power, sacrifice, sincerity and a strong will. Life is short and we should respect and enjoy every moment. Sooner or later your hard work will spread the fragrance.

Remember,

*'Pearls don't lie on the seashore,
If you want one, you must dive for it.'*

Jai Hind!

J.P. Singh

Dear students,

'Life is all about learning, adopting and converting.'

Life is a journey of joys, learning & experiences. To learn and to move ahead is the natural instinct of all human beings. So, always think big thoughts and never give up. Always sweat hard and embrace success. Your enthusiasm is your biggest asset. So, summon your energy to bring transformation in yourself. Remember, 'No rain, no flowers'.
