# Principal's Message

Dear Students,

*'No victory is as great as to be master of yourself.'*

The best way to lead this world is to lead yourself. Always be busy like a bee to achieve your goal. Remember a mind always employed is always happy. So, keep on working hard day and night. Foster your reading and learning, the repercussion will be fruitful, and when you achieve something, do something for the sake of society and nation as well.

Remember,

*'The best view comes after the hardest climb.'*

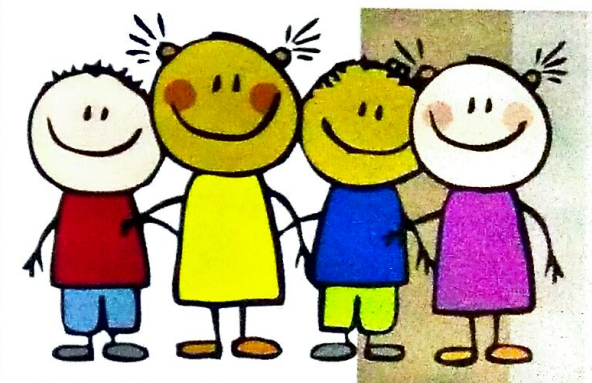

Jai Hind!
